

No. S 305

**PROFESSIONAL ENGINEERS ACT
(CHAPTER 253)**

**PROFESSIONAL ENGINEERS (APPROVED
QUALIFICATIONS) NOTIFICATION 2000**

ARRANGEMENT OF PARAGRAPHS

Paragraph

1. Citation and commencement
2. Approved qualifications
3. Cancellation

The Schedule

In exercise of the powers conferred by section 15 (1) (b) of the Professional Engineers Act, the Minister for National Development, after consultation with the Professional Engineers Board, hereby makes the following Notification:

Citation and commencement

1. This Notification may be cited as the Professional Engineers (Approved Qualifications) Notification 2000 and shall come into operation on 1st July 2000.

Approved qualifications

2.—(1) The qualifications specified in the Schedule are hereby approved for the purpose of entitling the holders thereof to be registered under section 15 (1) (b) of the Act as professional engineers.

(2) The qualifications specified in the third column of Part I of the Schedule shall be in respect of the branch or branches of engineering specified in relation thereto in the fourth column.

Cancellation

3. The Professional Engineers (Approved Qualifications) Notification (N 1) is cancelled.

PART II

The following degrees awarded under the Accredited Engineering Programmes, which are based on the evaluation and acceptance of the Engineering Accreditation Commission (EAC) of the Accreditation Board for Engineering and Technology, Inc, United States of America, in the following Program Areas:

1. Aerospace Engineering Group
2. Chemical Engineering Group
3. Civil Engineering Group (in Civil Engineering or Structural Engineering programs only)
4. Computer Engineering Group
5. Electrical & Electronics Engineering Group
6. Environmental Engineering Group
7. Industrial Engineering Group

THE SCHEDULE — *continued*

PART II — *continued*

8. Manufacturing Engineering Group
9. Materials Engineering Group
10. Mechanical Engineering Group
11. Naval Architecture & Marine Engineering Group

PART III

All degrees awarded under the Accredited Engineering Programmes which are based on the evaluation and acceptance of the Commission des titres d'ingenieur, France.

Made this 27th day of June 2000.
