

PROFESSIONAL ENGINEER'S PLEDGE

As a professional engineer, I solemnly pledge to:

dedicate my service to the development of society;
act with prime regard to public safety and interests;
practise my profession with conscience and dignity;
uphold the standing and reputation of the profession;
discharge my duties to my clients with complete fidelity;
respect and cooperate with all fellow professional engineers;
exercise due diligence; comply with laws and regulations;
adhere to the code of professional conduct;
strive for the efficient and economic use of natural resources;
minimise the impact of engineering works on the environment;
and constantly strive to upgrade my skills and knowledge.

I make these promises solemnly, freely and upon my honour.
